

News from room 24

February 2018

Valentine's Day

We'll be having an ice cream social on 2/14 at 11:40. All are invited.

Oregon Battle of Books ~ OBOB

Good luck to our teams as they prepare for their "battles"!

Family History Projects

This unit kicks off in February. Be on the lookout for a green informational sheet in next week's Friday Folder.

Reminders:

- ✓ February Early Release: Wed. Feb. 14th and Wed. Feb. 28th
- ✓ NO SCHOOL Feb. 19th, President's Day

LEARNING HIGHLIGHTS FOR FEBRUARY

Math:

Unit 4 is in full swing. We are working on Addition, Subtraction, and Measurement.

We've learned many strategies and skills, but the standard algorithm for subtraction is proving to be the biggest challenge. Please check in with your child, reminders from parents help!

Language Arts:

This month we wrap up our Mythology unit and continue a nonfiction unit on extreme weather.

Students will work on main ideas and supporting details, analyzing text and craft, and text synthesis while reading and researching natural disasters.

Social Studies/Writing

We are loving our Sea Exploration unit. The students are each writing a logbook to record our adventures.

Science:

We are starting a unit on The Forms of Energy this month.

Volunteers:

Thank you so much for the time you spend supporting our class. There are many dates for the winter and spring available!

Valentine's Day Ice Cream Social:

We need donations for our Valentine's Day ice cream social: bowls, spoons, napkins, and plenty of toppings.
