

Edy Ridge Elementary ~ Fourth Grade

News from room 24

Welcome 4th graders!

What a wonderful first week here in room 24. We've spent time getting to know each other, learned the routines, procedures and rules of the classroom and school. We have such an exciting year ahead of us. I am truly glad to have all of your children in class, I'm excited to get to know them all better. We're off to a great start!

Edy Organizers

Please be sure to look in your child's binder each night and review their "Edy Organizer". Your child will record their homework and classwork in this planner daily at school. Assignments will be listed with due dates. Most 4th graders are not ready to be independent with homework, so your support is appreciated by your child (and me!).

LEARNING HIGHLIGHTS FOR SEPTEMBER

Language Arts:

We kick off with an introduction to Reader's Workshop, which is designed to build a love of reading while strengthening reading skills. We'll also create language arts journals, and learn about writing five paragraph essays.

Math:

Multiplicative Thinking is our first math unit. We will set the course for the year and work on models of multiplication and division, prime and composite numbers, and multiplication strategies.

Social Studies:

We start off by reviewing map skills, learning about latitude/longitude and then we move on to a unit on Oregon Geography. We'll also begin to learn about the Northwest Coast Indian Tribes.

September 2017
