- 6/15- 5<sup>th</sup> Grade Promotion at 9:00

### **CONFERENCES**

Thank you for making the time to come to conferences. It was great meeting with you all and discussing the growth your child has made this year. These are always my favorite conferences considering you get to look at the data and see the growth that occurred. Also, the scrapbooks and thank you poems.. weren't those amazing? Your kids are awesome!

### **TIMBERS**

Our Timbers field trip is in two weeks (May 18th). We will be participating in a health and wellness challenge leading up to it and students are encouraged to log their physical activity for the next week. Please encourage your child to make the extra effort to be more active. On the day of the trip, students need to bring a sack lunch OR money to purchase lunch from the concessions stands. Parents who have pre-ordered tickets, I will send them home with your child next week. Remind your child to dress appropriately for the weather that day as we will be outside. In addition, sunscreen might be a good idea if the weather will be nice. Parents that are attending, plan to meet us there between 10 am and 11 am. Please let me know at Timbers if you are taking your child home with you.

### **AFTERNOON OF ACHIEVERS**

Our last big project in fifth grade is Afternoon of Achievers. Each student will pick an important person this week and will be researching his/her chosen person to find information about them. Then on June 6th, students will be dressing up as this particular person. Most of the work for this project will be done at school. The only thing students will need to do at home is memorize the answers to the questions and plan his/her costume.

### **ICE ARENA FIFTH GRADE PARTY**

We will be walking the kids to the Ice Arena on Monday, June 11th. Please email me if you're interested in volunteering that day. You can walk with us, meet us there, or just hang out and help monitor kids while they're ice skating.

Thanks!
